We thank you so much for considering a sponsorship of the 2020 Red Brick Run. A generous donation can help us to meet our goals of providing scholarships for graduating seniors, outings for Mentors and Mentees and covering other expenses associated with the TeamMates program.

The Gretna TeamMates Mentoring Program is associated with the Gretna Public Schools. The TeamMates Mentoring Program was founded in 1991 by former University of Nebraska football coach Tom Osborne and his wife, Nancy. What began with 22 matches in the Lincoln Public Schools has grown to more than 5,000 matches across Nebraska, Iowa, Wyoming, South Dakota and California. We have seen success here in Gretna by growing from one student/mentor relationship in 2006 to our current number of 76.

We are asking for your help this year to support the TeamMates Mentoring Program in the Gretna Public Schools by sponsoring **The Red Brick Run**. We are hosting a 10k run, 5k run/walk, and a kid's 1 mile run on Saturday, April 4<sup>th</sup>. All net proceeds of this event will go the Gretna TeamMates Chapter and will stay with our local chapter.

If your business would like to help sponsor this event, we ask for a cash donation of \$100 or more. For sponsoring this event, your business will have its name on our race banner, race bags given to all participants, fliers, social media sites promoting the race and all marketing related to the race. All funds raised will be used by Gretna TeamMates for scholarships, enrollment fees and activities by Gretna mentors and mentees. Please make checks payable to TeamMates of Gretna and mail to 11717 S. 216<sup>th</sup> Street, Gretna, NE 68028. Receipts will be provided for tax purposes.

For additional information, please call any of the following people associated with Gretna TeamMates and the Red Brick Run:
